‘All Four Yorkshire Red Ale’

4.2%

Our take on an Irish red ale with the core ingredients being the four main grains traded by our merchanting business, barley, wheat oats & rye. Biscuit flavours with hints of caramel & burnt toffee, whilst the rye malt adds another dimension to this quality beer.

## **Great Newsome Brewery**

Deep chestnut with aromas of sweet toffee and grassy hops. Sweet chocolate malt and hazelnut on the mouth with a long satisfying finish. Brewed with Pilgrim (UK), Northern Brewer (Germany) and Amarillo (US) hops.

A hoppy golden bitter combining Pilgrim (UK), Northern Brewer (Germany) and Cascade hops (US), with a small amount of crystal and wheat malt, to produce a wonderfully robust beer with a beautiful depth of smooth malt flavour and a hint of sweet citrus on the nose.
